

All the items must be returned by **Oct 27, 2024**.

### Additional Instructions for mailing your package

- Print the label.
- Cut out the Merchandise Return Label.
- Write your return address in the space provided in the upper-left corner of the label, after the word "FROM."
- Securely pack the items to be returned in a box and include the separate barcode in the package.
- Affix the label squarely onto the address side of the parcel, covering up any previous delivery address and barcode without overlapping any adjacent side.
- Take the package to your nearest post office for delivery. No postage is necessary if the package is mailed from within Canada.
- If your battery is damaged, defective or recalled by the manufacturer, do not return to Amazon. Please contact [Customer Service](#) for further instructions.
- For return to Amazon, please repackage your item in the original manufacturer packaging in which you received it. If that original packaging is unavailable, securely pack your item in a cardboard box with adequate cushioning to prevent damage to the item in transit.

### Hazmat Label

Cut this label and affix to the outside of the return package

### Return Mailing Label
